

Clover BH

Lounge Collection

Comfort and Security in Behavioral Healthcare

Introducing the Clover BH Lounge Collection, where beautiful curves and modern styling converge to provide seating support that encourages relaxation and comfort in today's supervised Behavioral Healthcare environments. Uniquely designed and engineered, this collection seamlessly blends form and function.

Features

- Uniquely designed for comfort and relaxation
- Engineered to exceed BIFMA testing requirements
- Concealed clean-out space between seat and back
- Nylon glides protect floors from potential damage
- Standard metal seat pan conceals staples
- Tamper-resistant fasteners provide an extra layer of security

Options

- Wood or metal legs to suit your design preferences
- Contrasting fabrics for a customized look
- Power/USB options for added convenience
- Opt for a moisture barrier to enhance durability
