

# Disc BH

## Dining Tables

# A Table for Demanding Environments

The BH disc table is a versatile surface designed to provide a healthy, welcoming space for behavioral health and working environments. Its weighted metal bases and 1-inch thick tops are available in a choice of highly durable edge options.

## Features

- High-pressure laminate tops
- Non-removable fixed glides for safe, quick adjustments
- Weighted base

## Options

- Choice of wood, PVC, or a polyurethane no-drip edge
- Tops are available in a variety of colors
- Custom metal finishes
