

Kindred Case Goods

Infusing Warmth and Functionality into Healthcare Spaces

Experience the inviting ambiance of healthcare spaces with the Kindred Case Goods series. Featuring thermoformed components with a soft woodgrain appearance, Kindred creates an atmosphere of warmth and comfort. Employing advanced thermoforming technology, this collection addresses the concern of bacteria collection in edge laminate, ensuring a hygienic environment. The Kindred series goes beyond aesthetics, offering custom dimensions and configurations to meet diverse needs.
