Waiting Seating

Oasis BH Metal Seating Collection for Challenging Healthcare Spaces

Introducing the Oasis BH Metal Seating Collection, where durability meets comfort in behavioral health spaces. With its robust steel frame, the Oasis HD Guest Chair is crafted to excel in the most demanding environments. Available in single and bariatric configurations with open or closed arms, this chair offers a tailored solution for various healthcare settings.

Features

- Clean out space between seat and back ensures optimal hygiene
- 11-gauge internal seat frame for enhanced durability
- Tamper-resistant fasteners for added safety
- Steel seat pan covers upholstery staples and adds weight
- Non-removable nylon glides for stability and floor protection

Options

- Wood, solid surface, or polyurethane arm caps for a personalized touch
- Contrasting fabrics to match your aesthetic preferences
- Add weight for stability or opt for glider functionality
- Bolt to floor brackets for secure placement
- Moisture barrier for easy maintenance

	Depth	Width	Seat Width	Height	Seat Height	Weight Capacity
