# Oasis Metal Seating Collection for High-Traffic Spaces

The Oasis Metal Seating Collection is a pinnacle of design and engineering, exclusively tailored for high-traffic healthcare spaces. Our commitment to creating unparalleled solutions is evident in the ultra-durable construction methods and unique features embedded in the Oasis collection. Elevate the comfort and functionality of your healthcare setting with Oasis.

## Features

- Robust 14-gauge powder-coated steel frame ensures durability
- Impressive 500lb weight capacity for enhanced stability
- Field-replaceable seat covers, back covers, and arm caps
- Arm caps designed for ease of ingress and egress
- Clean out space between seat and back for hygiene

## Options

- Wood, polyurethane, or solid surface arm caps
- Contrasting fabrics to suit your aesthetic preferences
- Opt for a moisture barrier for added protection
