Transitional Style for Behavioral Health Applications

Step into a realm of strength and transitional style with the Onward BH Lounge Collection. Tailored for Behavioral Health applications, this collection seamlessly merges robust functionality with an adaptable aesthetic suitable for any healthcare lounge setting. Offering single-seat and bariatric models Onward HD Lounge is a versatile solution for diverse healthcare spaces.

Features

- 14-gauge internal steel seat frame ensures enduring strength
- Wallsaver leg design that protects from potential damage
- Tamper-resistant fasteners for safety and security
- A steel seat pan conceals upholstery staples for a polished appearance and patient safety
- Clean out space between seat and back
- Non-removable nylon glides for flooring protection

Options

- Clean-Sweep for safety and cleanability
- Wood, polyurethane, or solid surface arm caps
- Variety of contrasting fabrics
- Moisture barrier to enhance durability

	Depth	Width	Seat Width	Height	Seat Height	Weight Capacity
