# Sleek and Sturdy, a Table Ready for Anything

The Pier BH table line is designed with heavy-use Behavioral Health spaces in mind. Its heavy-duty tops and adjustable-glide post legs withstand wear and stabilize against tipping, making an excellent surface for work, therapy, and anything else your practice may need.

## Features

- Pick-resistant polyurethane, no-drip edge
- Top edge colors coordinate with rotomolded seating products
- Non-removable adjustable glide
- Tamper-resistant fasteners
- Heavy-duty laminate top construction

## Options

- Bolt-to-floor brackets to guarantee increased stability
- Custom finishes, including metal, laminate, and polyurethane options
