# Seating Solutions that Balance Style and Function

Valet Lounge Seating, where soft lines and contemporary design seamlessly blend to create inviting spaces in any healthcare setting. The organic form and injected-molded foam, supported by a steel inner frame, offer a perfect balance of style and comfort for patients and visitors alike.

# Valet

## Lounge Seating

### Features

- Contemporary flair that enhances the aesthetics
- Curved organic form envelops users in comfort
- Injected-molded foam with a robust steel inner frame for durability
- Available in high-back or low-back
- Four bases for single-seat models for customization
- Meets ANSI/BIFMA X5.4-2020 standards for quality assurance

### Options

- Standard or Premium Satin Nickel Metal Finish (disc and wire base models)
- Custom finishes to tailor the seating to your preferences
- Variety of contrasting fabrics
- Moisture barrier for longevity
